

# **MORAGA-ORINDA FIRE DISTRICT DISTRICT POLICY 17**

## **SPECIAL EVENTS PERMIT FEE WAIVER POLICY FOR NON-PROFIT ORGANIZATIONS**

### **PURPOSE**

In an effort to support non-profit organizations that provide valuable community services for the public benefit, the following policy has been established to determine when special event operational permit fee will be waived.

### **POLICY**

Fee waivers will be considered for local organizations based in the City of Orinda, the Town of Moraga, community of Canyon and areas of unincorporated Costa County that are within the boundary of the fire district.

Fee waivers will be limited to special event operational permits only. Fee waiver considerations will not apply to building plan review or other permitted construction projects.

Special event permits that are granted a fee waiver must comply with all codes, ordinances and regulations.

Violation of any codes during the event or pre-event inspection are subject to the revocation of the operational permit and cancellation of the event by the fire chief or designee.

Approval of a fee waiver does not alter other requirements by the Fire District.
